

*Correction of the Exam Paper : Méthodologie du Travail
Universitaire / 2020 – 2021*

.....

Exercise 1 : Rewriting Correctly

➤ Punctuation

- 1- The poet feels sorry for the old mother.
- 2- What a beautiful reaction!
- 3- Do you like him?
- 4- Listen! I would work hard.
- 5- Look! He is there.

Exercise 2 : Topic

Topic : " Technology is largely misused to destroy the world "

Introduction:

Introduce the topic of the misuse of technology, highlighting its destructive potential despite its benefits. Present the thesis statement outlining the key points of the essay.

Body:

1. Misuse of Technology in Warfare: Discuss the development of destructive weapons and their impact on societies and the environment.
2. Cybercrime and Privacy Concerns: Explore technology's role in cybercrimes, data breaches, and privacy violations.
3. Environmental Impact and Overconsumption: Discuss how overuse of technology contributes to environmental degradation and resource depletion.
4. Social Manipulation and Disinformation: Analyze the misuse of technology in spreading disinformation and its consequences for social stability.

Conclusion:

Summarize the detrimental effects of technology misuse, emphasizing the need for responsible usage. Propose solutions and recommendations to ensure its ethical and sustainable integration into society.
